Puffs of Seniority

On the Varsity Football field, September 26, 1977 the Senior Superstars versed the Junior Jockettes to a dashing 14 to 0 victory.

Two of the many coaches commented on the game;

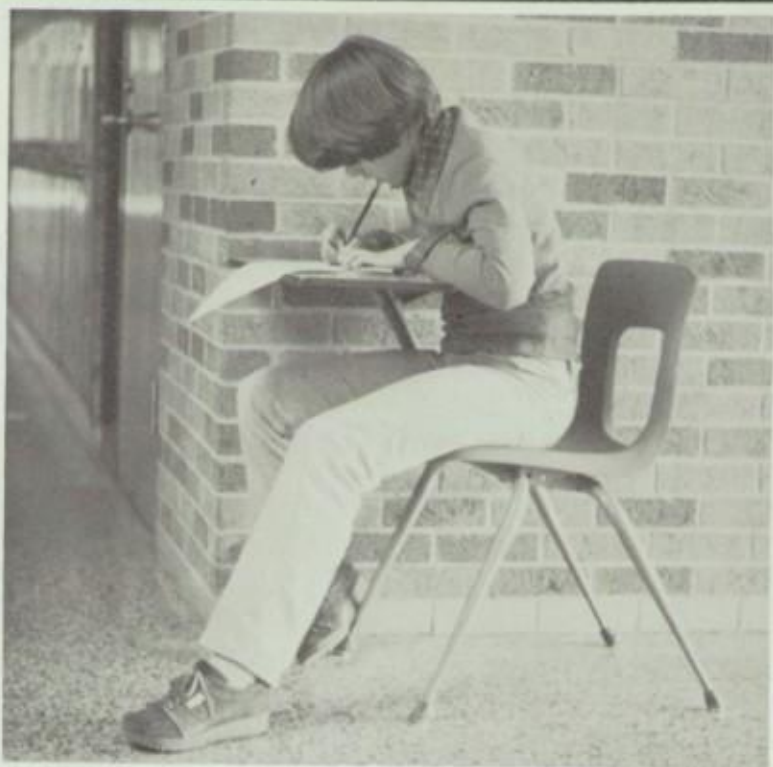

Junior Coach Rick Inger, "If you forget all of the mistakes, the Juniors would have won."

Senior Dan Slater, "I knew we could win 'cause we had alot of players, and we made the right mistakes."

Julie Livingston, Senior quarterback darted through the Junior defense to score both superstar touch downs.

It's A Small World After All!!

My name is Marita Bernardo and I am from Quezon City in the Philippines. I am 16 years old and in grade 12. I have found that school work here is much easier, except physics, and the school here is much larger. The things that I have enjoyed most about Rockford is it's feeling of being out in the country. Also, I really like the winter here and all the snow. My favorite sports are football, snow skiing, and ice-skating.

The school I went to in the Philippines was an all girls school and Rockford Senior High is why I am enjoying life here so much. It's co-ed!!

Thank you faculty and students for the experiences I had here and never forget me as I will never forget you.

My name is André Roch, and I am from Paris, France. I am an exchange student from Youth for Understanding. Coming to Rockford Senior High School has really been a great experience for me. When I first arrived here in Rockford, I had some trouble getting used to the new way of life, but with the help from many friends and the understanding of my family, things are going much better.

In my high school in France, there aren't many sports available and that's why I appreciate American Athletics so much. Soccer is my favorite sport, but I also enjoy basketball, ping-pong, and track.

When I get back to France, I will have one more year of school, and will then have to enroll in the army because it is required of kids 18 years of age.

I will never forget the people of Rockford and all the fun I had here.

My name is Patty Nuñez, and I came here from Rosario, Argentina. I came to America to learn more about the English language and the family life of the American people.

Things are very different here for me. Your food, your weather, and mostly your language. Despite these minor difficulties, I was impressed with the communication between students and teachers. But I do feel the R.H.S. is academically too easy. At home, I must study for two to three hours after school. Here, everybody works after school. Television here is about the same but your commercials are much dumber.

My trip here was my first time away from home without my family. At times I have felt homesick but the sport of snow skiing here has helped me to have some fun. At home, I water ski often and it has helped me alot with downhill skiing. My trip here to America has been a very enjoyable one, and I will always remember you.

During my stay here in Rockford, many people have asked me the parrallel between "Dumb Hollander" and a Dutch exchange student. The answer was that long haired guy who had been around the Rockford High School since September of 77' named Jeroen Wagendorp. Many times people have also asked me if I liked the U.S.A., and I replied "it has been nice and very educational."

Actually, I had a very rough time of it at first, but with the help of many friends and especially Mr. Anderson, Mr. Wygmans, and Doctor Schipper, I got through it. For my first four hours of class, I attended Grand Rapids Junior College which I hope will keep me out of the Dutch National Army. For 5th and 6th hour, I attended classes here.

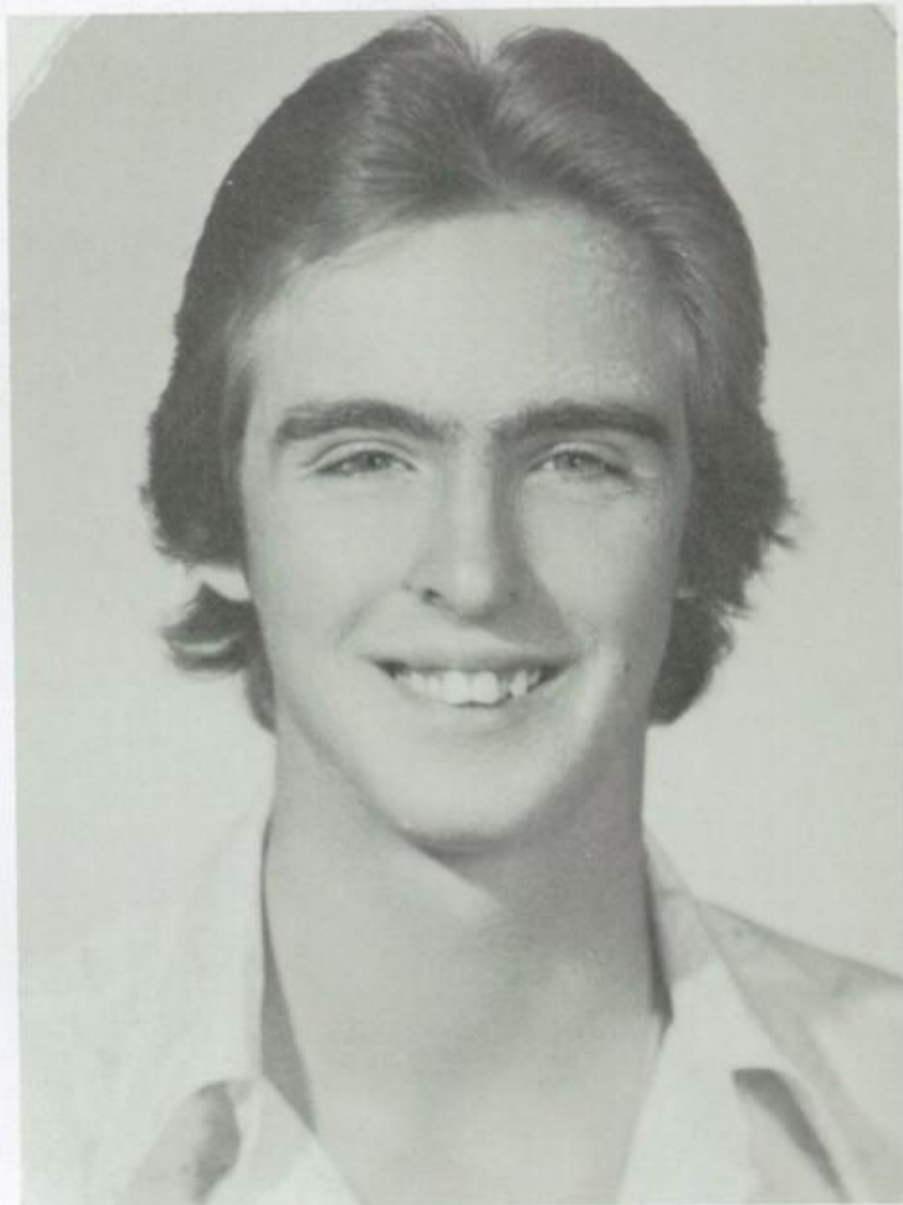

This year here at Rockford has been a great success for me and I will bring back many fond memories to my Frisian home town, Lemmer in the Netherlands.

Friends Travel Far

This has definitely got to be the greatest year, of my life. It seems as if I just got here, and now don't want to leave. To me, Celaya is a paradise. It has almost anything you need and the greatest people in the world. They are all so friendly, and do anything for you. This also, has made it easy for me to learn Spanish.

I have been traveling a little, like to Mexico City, Guanajuato (the capitol), and Leon (Another large city.) I have also visited the pyramids of Teotihuacan, and the Museum of Anthropology, the best in the world. But, I have gotten used to Celaya as home, my family as a real family, and my friends as very close friends. I, right now, am probably the happiest person in all the world!

Andy Ostrander

I am spending my junior year as a exchange student in Taubate, Sao Paulo Brazil, which has a population of 68,000. I left the U.S.A. on August 13, and am throughly enjoying the people and the country. My Brazilian family has been very good and helpful to me, treating me as one of the family.

In school there are many subjects, but they are not difficult. There is very little discipline in the classroom compared to our schools. Sports are not a part of the school programs, but they do have competitive sports at private clubs. I am on a newly formed girls swimming team, which is a start for girls, because Women's Lib is not a common practice here in Brazil.

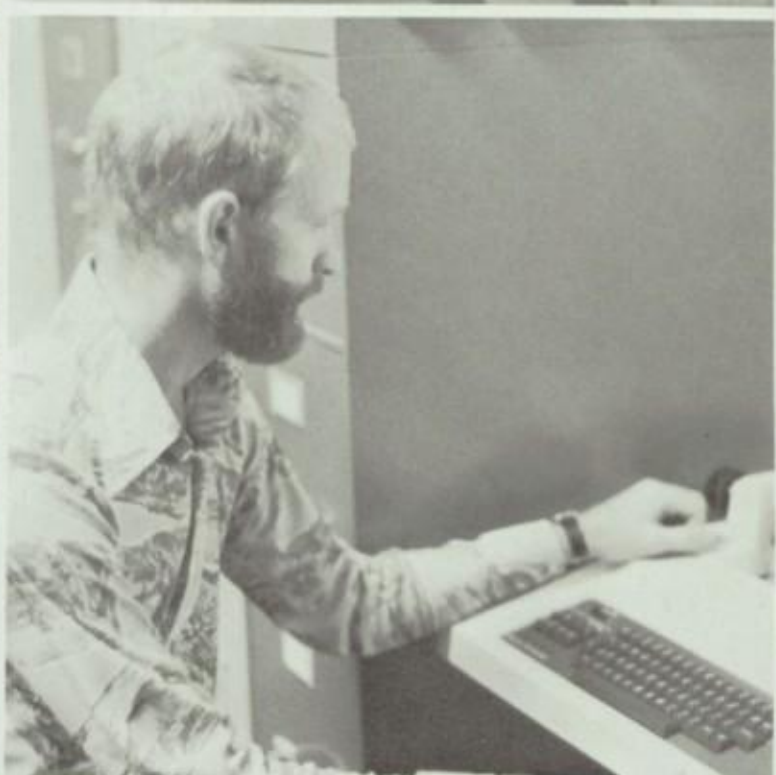

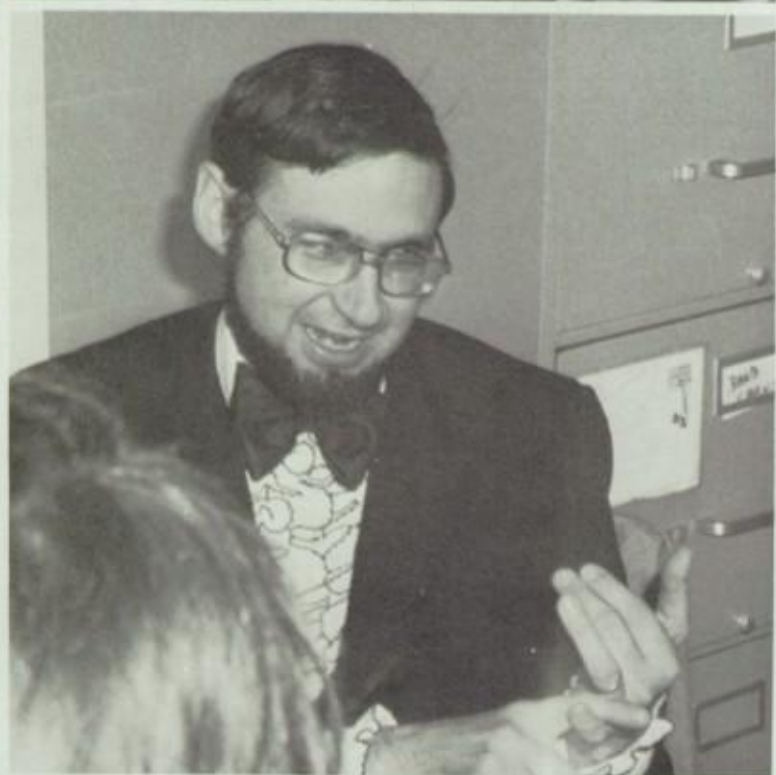

The food is great here, and the Brazilians want you to eat plenty, so I play alot of tennis and swim often.

I miss the snow, and everything that is home, but not enough to return till July.

Administration

The people who work out the problems of tomorrow today ... the lawmakers ... the faces at the desks in the "White House on Courtland" ... the final say ... these form pictures in our minds of the leaders who guide us today in our world ... the Administration and School Board.

A kind, but calm voice discussing our problems ... heaped piles of papers on a desk ... the expert advice based on experience ... the needed touch of humor ... these form pictures in our minds of the men and women we see and work with daily, trying to teach us to teach ourselves ... the faculty.

Behind The Scenes . . . At R.H.S.

Recognition is something that most people need a little bit of. But it turns out that the custodians, matrons and kitchen staff get little of it. These employees are responsible for keeping the school in an organized and working order. Over 3,500 students are served in the a-la-cart and hot lunch programs.

Publication Staffs Unite

In the past, the Ramstale yearbook and Rampage newspaper staffs were two completely different organizations. This year, as an experiment, the two staffs were combined.

This newly formed group of kids worked hard together to meet deadlines and produce quality publications. Extra time proved to be a rare thing. Selling advertising space for

both publications seemed to be the biggest hangup.

The staff this year included three terrific co-editors: Patti Case and Therese Steimel for the yearbook and Lisa Markin for the newspaper. Being an editor is not an easy task, as they soon found out. Even so, all three handled the job superbly.

Closer Look

The purpose of Close-Up is to give students a close-up view of the local, state and national governments. Taking various trips to Grand Rapids and Lansing enables the students to meet and discuss political views with Government officials and other kids from different areas. To raise money for this trip Mr. Keffer, the director, put the students to work in picking up trash along Wolverine Boulevard, and sponsoring raffles

“FFA” Sprouts

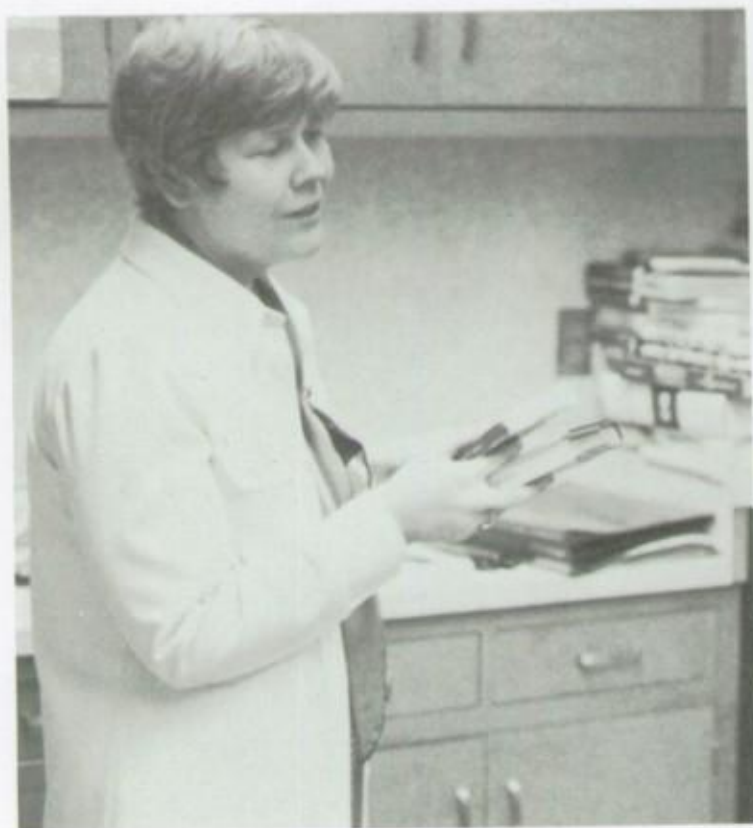

There are 50 students growing together to form a class of vocational agriculture. They all worked together to sell Christmas trees, wood, and to sponsor a Pancake supper.

At their farm sight on Courtland they cemented the barn floor, grew crops of corn, clover seed and wheat.

Representatives attend the Leadership Conference in July and during the school year the club takes part in District, Region and State concontests to show their knowledge about FFA.

Varsity Club

The Varsity Club started the year with a new advisor, John Schrolec. Elected to the offices were Mike Kuhn, president; Marcia Konkle, vice-president; and Scott Smith, secretary-treasurer. Plans for the Varsity Club included buying weight machines for the use of the student body and athletic teams.

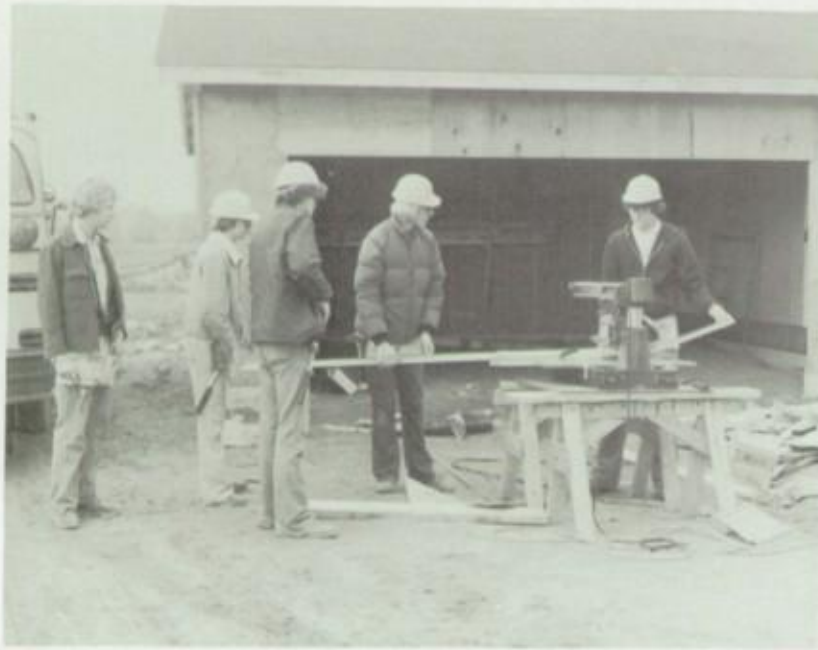

Media Scene

The ERC was full of activity this year students browsing through the book shelves for new books, others leafing through magazines, and still others doing research on the microfiche machines. Under the watchful eye of Mrs. Terrie Heydon, Media Director, Mrs. Arlene Laitila, secretary, and Mrs. Mary Eadie, aide, the ERC was not only for students, but for staff, running off dittoes, supplying equipment, laminating, and video taping were part of the services provided.

Building Trades Build A Dream

The building trades class built this year's house right next door to the one that was built last year on Summit.

The 38 building trades students work on the house about four hours each day. In addition, there are 18 interior decorating students and some FFA students helping to add the finishing touches.

The masonry, rough and finish carpentry, and electrical work are all done by the building trades classes. The poured concrete walls and dry walling were contracted out. The FFA students will handle the landscaping. Heating and plumbing work will not be done by students either.

The house should be completed in late May. It has an appraised value of approximately \$45,000.

Latins Do As The Romans Do

This year's Latin Club was busy with many activities. These activities included a Christmas party, volleyball and tennis competition with other clubs, and attending Latin State Fall Assembly held at Olivet College.

Money Raisers this year were candy cane sales at Christmas and carnation sales at Valentines.

Club officers were President — Jeff Ham, Vice-President — Jenny Pitsch, Secretary — Marcia Konkle, Treasurer — Robin Hansen, Publicity Chairperson — Yvonne Labiotka and Historian — Pam Larson.

This year Mike Jacobs was elected at the State Convention to be the President of the Junior Classical League of Latins in Michigan.

French Club

Frenchies got the year off to a good start, together with the Latin Club by successfully selling popcorn to raise funds. Also included in their activities for the year was a Christmas party, various sport events, (including volleyball, basketball and the annual tennis tourney against the Latin Club) and a sliding party in mid-February. Six or seven students were lucky enough to tour France, along with advisor Leslie Matthews, during spring break. Officers of the French Club this year were: President — Rob Frampton, Secretary — Laurie Boyer, Treasurer — David Benson.

Ecology

The purpose of Ecology Club was to make the students more aware of the environment in which they live. Included in their plans were a winter campout in Newago County and several fund raising activities.

The only elected officer was Jim Teft as President.

Mr. Jerry Lyon acted as advisor to the small group.

Art Club Draws A Crowd

The Art Club started off their second year by electing new officers. The officers included: Sue Douglas as President; Peggy Case as Vice President; Cheryl Shadowens as Secretary and Chris Schiedel and Rose Steimel shared the position of Publicity Chairman.

Club members also held a bowling match and accepted challenges from other clubs to other various sports.

Three art students, Peggy Case, Pat Winzer, and Chris Schiedel, painted the new graphic design on the back auditorium wall.

At this printing, future plans were a trip to the Grand Rapids Art Museum, a car wash at Prom time and their annual Second Annual Art Club picnic in the spring.

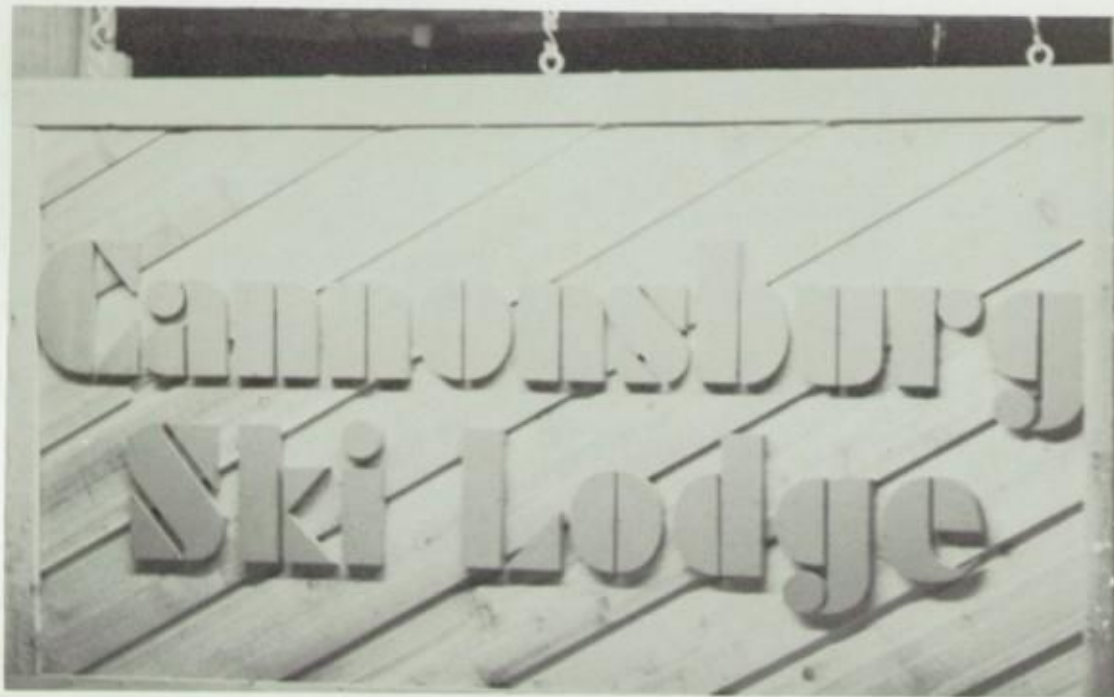

Fellowship of Christian Athletes

The Fellowship of Christian Athletes again received tremendous support from it's members. The list of activities included sponsoring the annual student-faculty basketball game, making a Christmas visit to Kent County's Honor Camp near Greenville, sponsoring two trips to basketball games at Western Michigan and Central Michigan Universities. They also sponsored an early morning breakfast open to all students.

The officers for this year's group were: President — Kevyn DeWit, Vice-President — Tim Commee, Treasurer — Dick Cooper and Secretary — Mark Stowe.

The club members would like to extend a hearty thanks to Mr. Harvey DeGood, who is president of the Grand Rapids Chapter of F.C.A. and R.H.S. advisor.

Blizzard Of 78 — Skiers Delight

It was a great winter for the members who joined the ski club. Membership granted the students lower rates on equipment and lift tickets on Wednesday nights at Cannonsburg Ski lodge.

A Ski trip to Crystal Mountain was planned for mid-February.

They were advised by athletic Director Bud Ashton.

Debate Gets The Point Across

"Resolved: That the Federal government should guarantee comprehensive medical care to all U.S. citizens." This was the topic this year's debate team had to deal with in the OK Red and Valley Coast Leagues. Varsity members were Linda Laage, Scott Leistner, Randy Bowman and Scott Carlson. Freshmen debaters helped out by keeping time while learning about debate.

Student Council:

The Student Council started off this year with the idea of keeping the students well informed of the council's activities, and getting as many students involved as possible. The first big activity was in early October involving Homecoming festivities.

The commissioners this year were: Inner school — Ann Shellan, Sportsmanship — Kathy Merren, Building and Grounds — Bernadette Niehaus, and Social commissioner was Barb Clove.

The officers this year include: Mayor — Sandy Clark, Vice Mayor — Sue Martin, Secretary — Laurie Heminger, Treasurer — Diane Whitman.

The council also included class officers and representatives from each class. All these students did an excellent job this year in supporting Rockford Senior High.

Frosh Prepare For Years Ahead.

Under the eye of Mr. Bruce VanWingen the Freshmen officers learned the council basis.

The officers were: President — Chris Sallee, Vice —

President — Chris Mallory, Secretary — Monice Zawistowski, Treasurer — Connie Magoon.

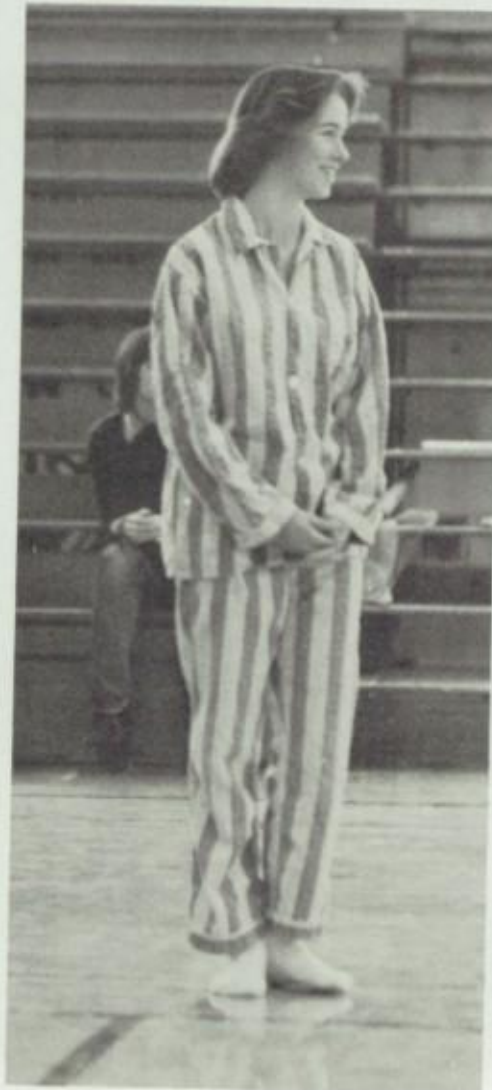

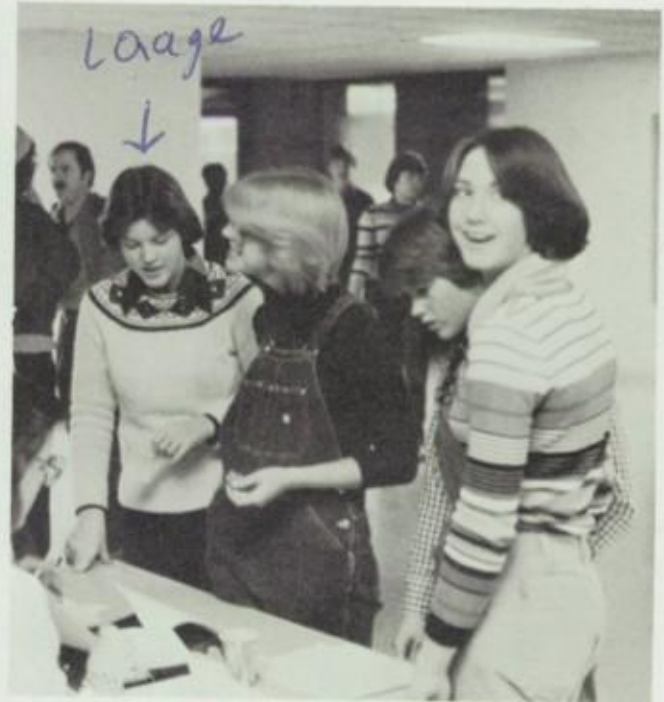

Sophomores Gain Experience.

Sophomores had an exciting year. The best part of the whole year to most sophomores, was when their class rings were delivered to them just before Christmas.

The Sophomore officers included: President — Marty Balk, Vice President — Rae Faber, Secretary — Teresa Grant, Treasurer — Dixie Molinosky.

Juniors Work Together

This year the Juniors had a very eventful program. The officers were: President — Tracy Richards, Vice-president — Cindy Wooldridge. Secretary — Laura Gross, and Treasurer — Janice Buhr. The dances

were successful and the Junior Carnival was a big hit. The Juniors are really working hard to plan, sponsor, and date the Prom. The theme is, "Come Sail Away."

Seniors make a First

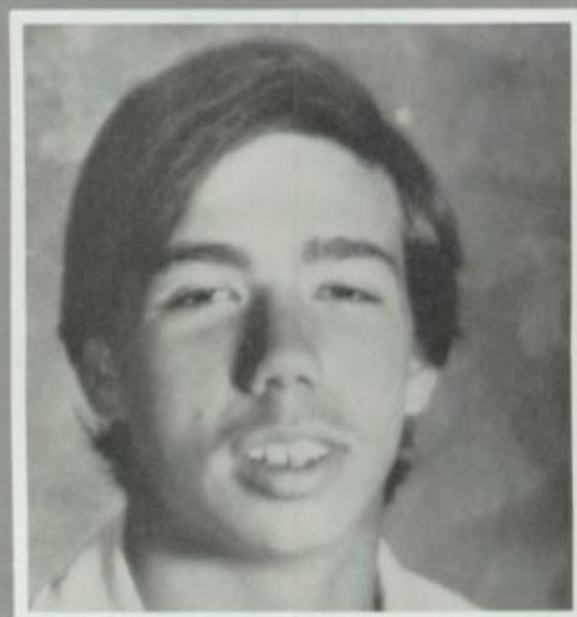

The Senior Class created a new tradition this year: A Sweetheart Swirl. This dance was a very successful way of celebrating Valentines day at R.H.S. Other Annual events included after game dances, Homecoming float competition, and a Senior Breakfast. Light and dark green were the chosen class colors.

The officers were: President — Dan Slater, Vice President — Randy Wolbrink, Secretary — Jan Cox, Treasurer — Terri Eadie.

Life

Life! We've been long together,
Through pleasant and through cloudy weather.
It's hard to part when friends are dear,
Perhaps it will cause a sigh, a tear.
But prepare yourself with all due haste
And look ahead to a brighter place.
Then steal away, give little warning
Say not "good night",
But bid me "good morning".

Li'l Abner, A Hit!

The 1977 Spring Play was a fun filled success for Director Faye Czuchna and her cast and crew as they presented Norman Panama and Melvin Frank's musical comedy "Li'l Abner". A long ten week practice for this large cast of over fifty actors and actresses climaxed in four sellout performances. The story centers around Dogpatch citizens trying to find something necessary to save the town.

Blending comedy with lively dances and songs the play drew to a successful closing.

A. Mrs. Czuchna is caught expressing herself to her performers in her own role as Director.

B. John Prussner, as General Bullmoose, schemes with his secretary, played by Melissa Millard, of how to capture Li'l Abner on Sadie Hawkins Day.

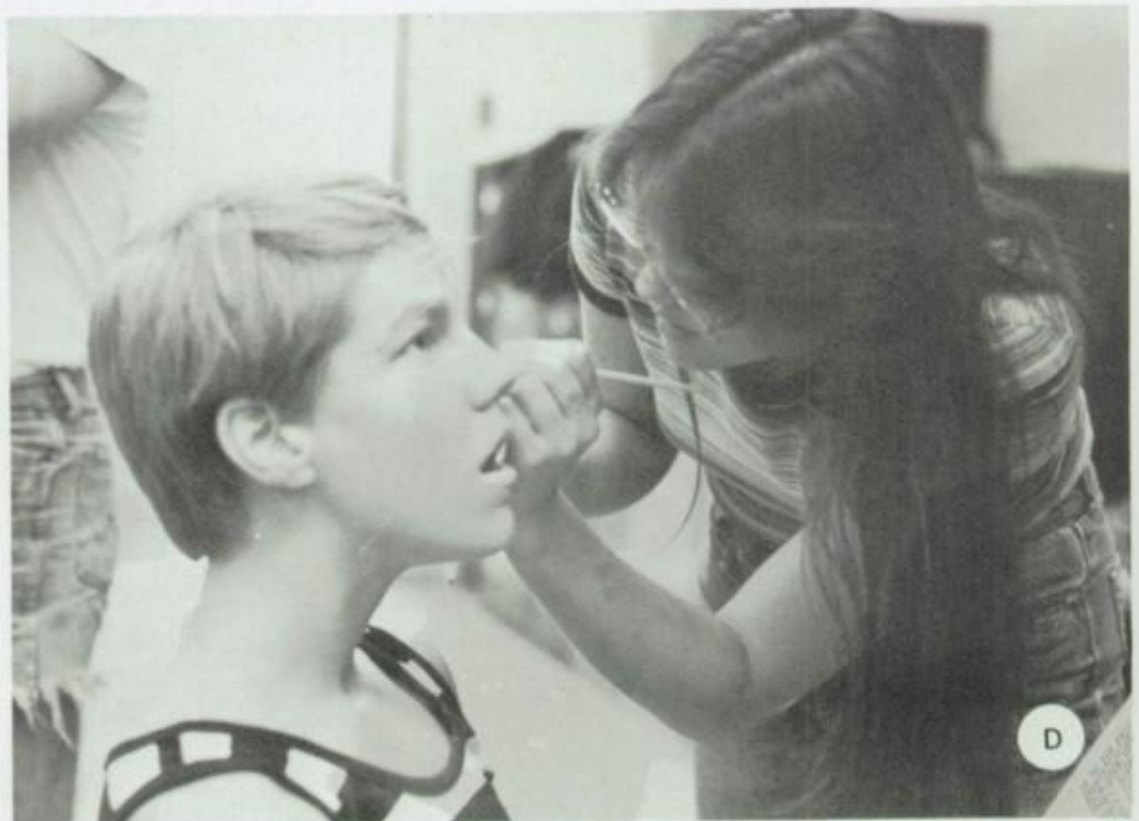

C. Dan Nielsen, as Li'l Abner, sings to Daisy Mae, played by Pam Angell, of his growing love for her.

D. Backstage, Tim Cooper is transformed into the Money-Mad character of Marry'in Sam.

E. The play cast of Li'l Abner.

F. Pam Angell relaxes a moment backstage before completing her make-up as Daisy Mae.

G. Susan Gray, in her portrayal of blustery Mammy Yokum, takes a breather backstage.

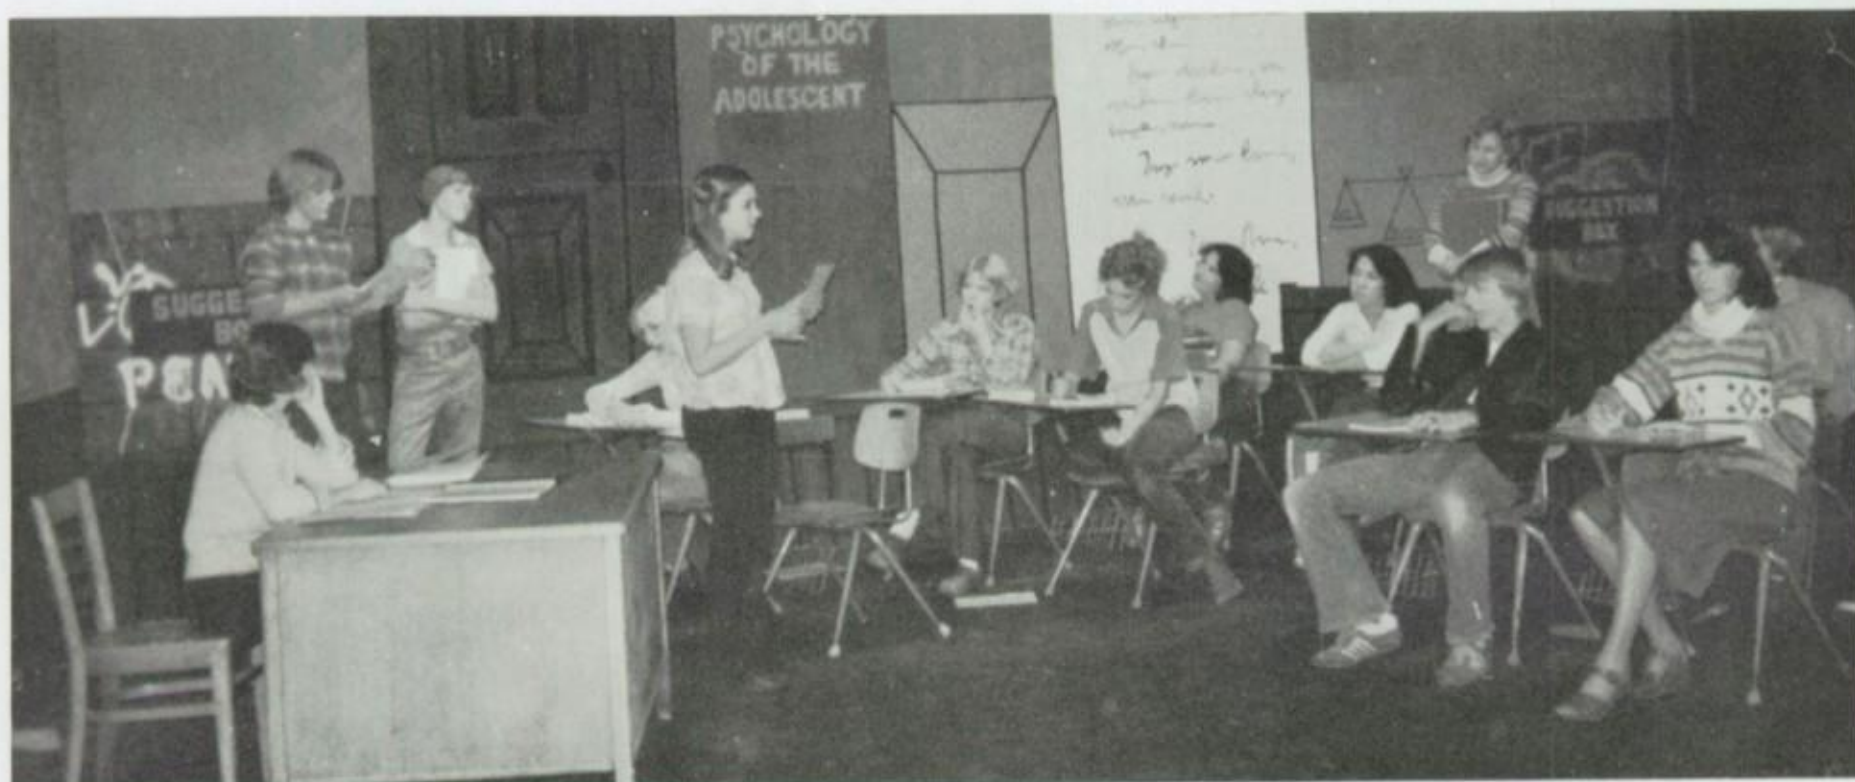

"Up The Down Staircase."

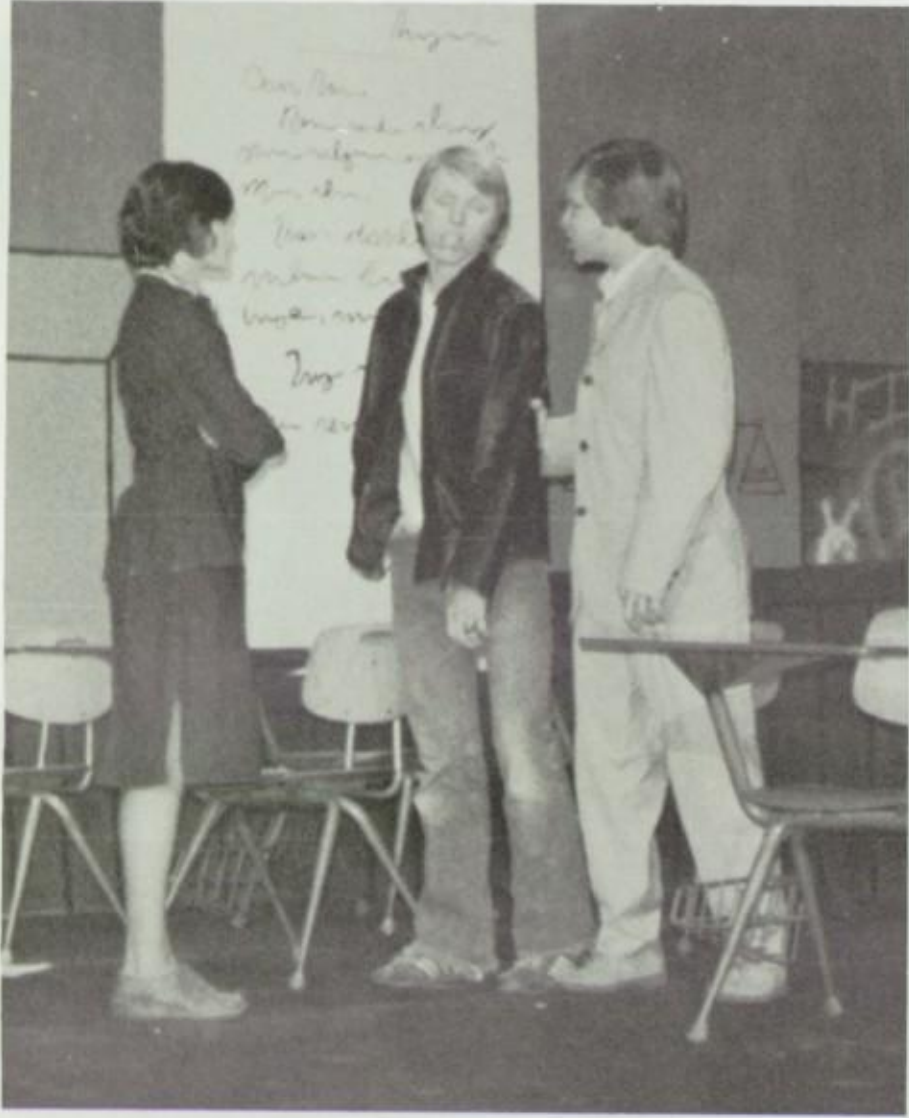

In the fall of '77 Rockford students presented, "Up the Down Staircase." The play was given under the direction of Linda Boyd, a new-comer to the Rockford community. With only five weeks of rehearsal, the cast put on a successful production that was filled with comedy and drama alike.

The main characters were portrayed by Linda

Leistner and Phil Darrah. Both students gave creditable performances. Praise should be given to both cast and crew who worked to make the play a success.

Other students involved in the production were: Student Director, Kim Budde; Technical Director Steve Norman; Set Design and construction, Steve Norman; and poster program, Julie Downer

Choir

"The Main word for the choir this year has been "rebuilding". Rebuilding our own attitudes, the community's attitudes towards us, and rebuilding our numbers." These are the main things Mr. Bass and Mr. Landane were working for this year. In listening to the choir, one experiences the pride that this group of young people have in themselves.

Another main objective for the choir was to perform more for the community and for the schools.

This year the orchestra was very successful. Under the direction of Mr. Bass, they participated in many seasonal concerts and festivals. They were a big hit as they toured from school to school. The orchestra is made up of thirty students playing various instruments including: Two trombones, two flutes, two clarenets, one basoon, two french horns, one precussion, one oval, six violins, five yolas, six chellos, and two base.

ORCHESTRA

Marching Band

This year the RHS Marching Band started their season off with band camp in August. Then things got off the ground with the beginning of school. They worked very hard to perform at halftime during the football games and showed much enthusiasm during pep assemblies.

The band participated in two competitions; Red Flannel Day at Cedar Springs and District Ten at Houseman Field in Grand Rapids. They received first division ratings in both. The band can be congratulated for their outstanding performances throughout the season.

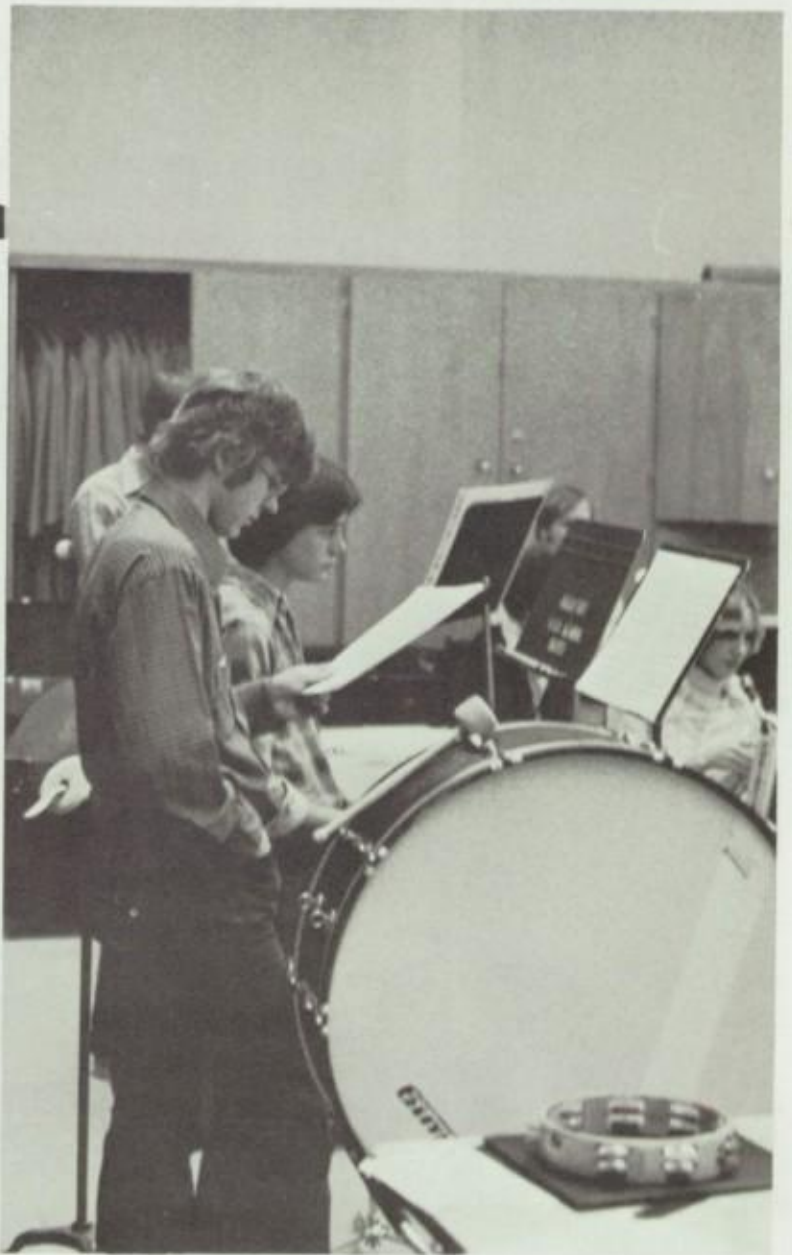

WINDS SYMPHONY CONCERT

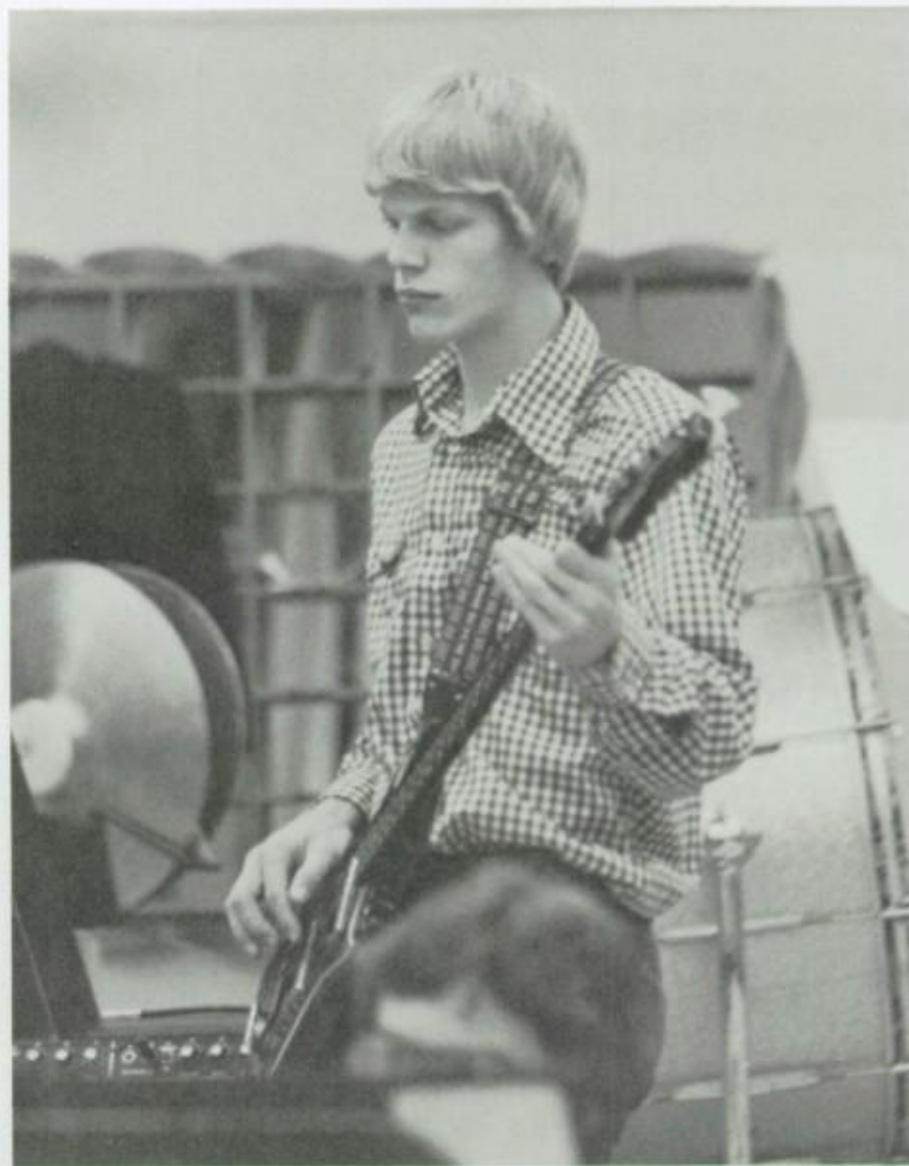

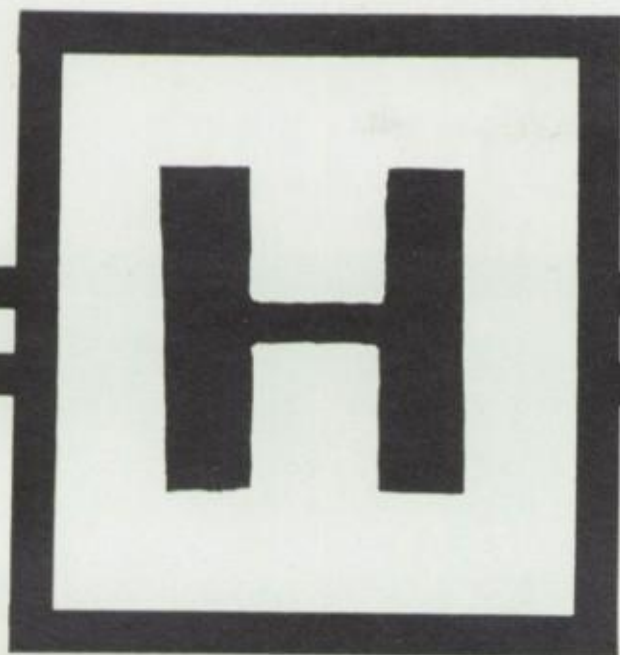

#1

Mr. Mollema's Rag Time Band.

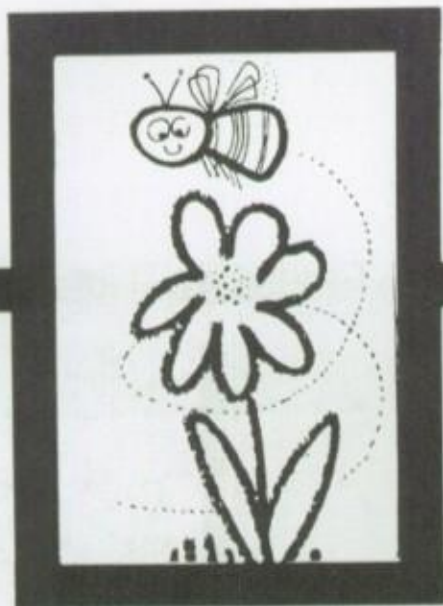

This is the second year for the Stage Band The band has become very popular with all the students at Rockford High. Under the Supervision of Mr. Mollema, these hard working students played at many events this year.

Spring

Varsity Pitches

Led by the fine pitching of Mark Lucas and Don Mallory, and combined with the outstanding hitting of Steve Cadwell, Kevyn Dewitt, and Jeff Holcomb, the Rams earned third place in OK Red Division competition with a overall record of 15-10. The Rams just missed taking a share of first place when they had the bases full against East Grand Rapids (the eventual champions) and couldn't capitalize. Members of the squad that made all-conference are Steve Cadwell, Don Mallory, Mark Lucas and Jeff Holcomb.

Varsity Turns League On It's Side

Junior Varsity Stays Steady

The 1977 RHS Junior Varsity baseball team kept a steady average of .500 ball playing throughout the spring season. Voted most valuable player was pitcher, Mark Palmer. Palmer threw a no hitter against one of the teams stronger opponents, Rogers.

Gained Experience

Freshmen learn real meaning of "Team."
Under the direction of coach Don Rinehart the Freshman team ended the season with a record of 10-8. Coach Rinehart stated; "These guys played on a rotating basis and still ended up with a winning season. I think it says something about the team spirit we had".

Golf First In Conference

A first place trophy was awarded to the 1977 girl's golf team for their efforts at winning the conference meet. They missed their chance to regionals by one stroke, although individual scores were average or above.

The most valuable player on the team was sophomore Diane Whitman and most improved was Sandy Pierce. Cherie Brun-

sink had most birdies. Lowest score was a 40 by Raedene Rose-ly.

The girls were under the supervision of a new coach this season, Mrs. Lynn Deptula. The team finished with an outstanding record of 12 wins, 1 loss, and 2 ties. Graduating seniors are Lorna Winterrowd, Sandy Pierce, and Barb Lillibridge.

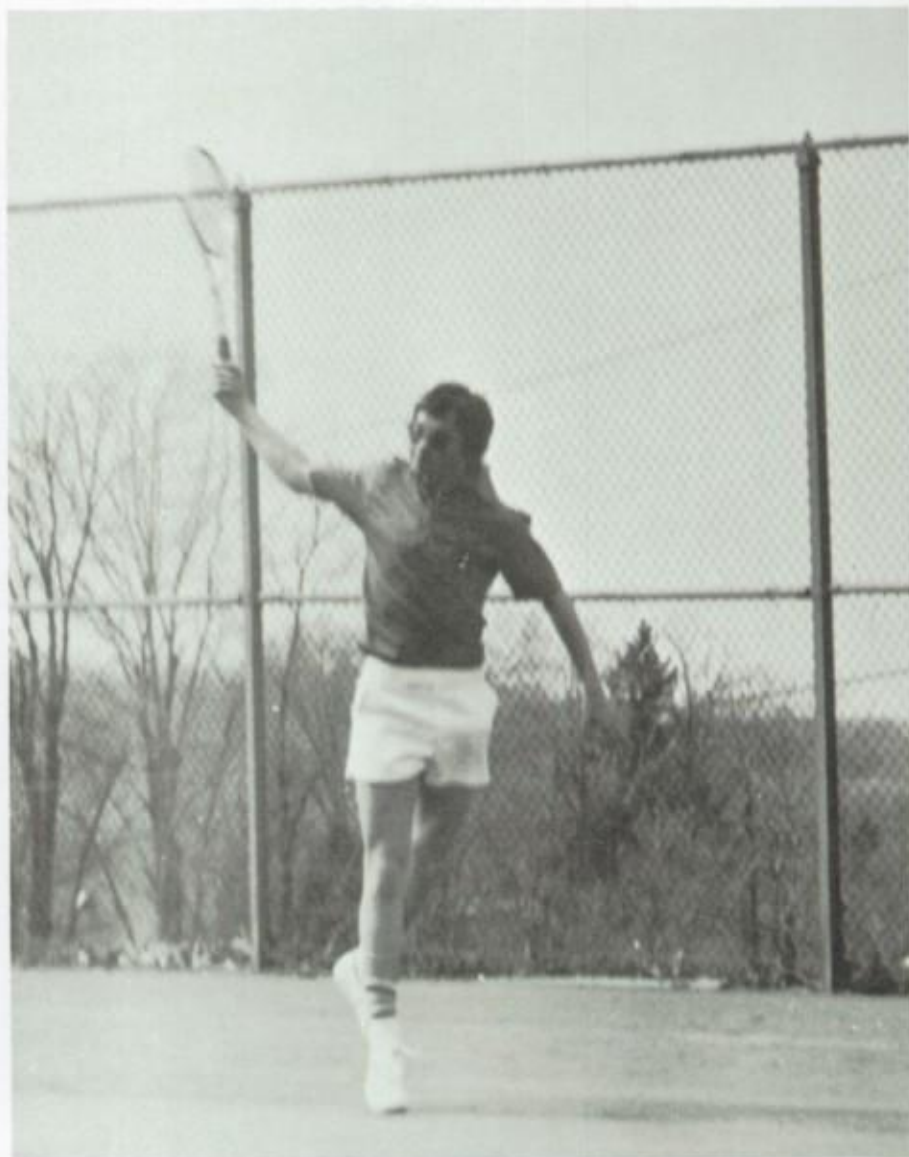

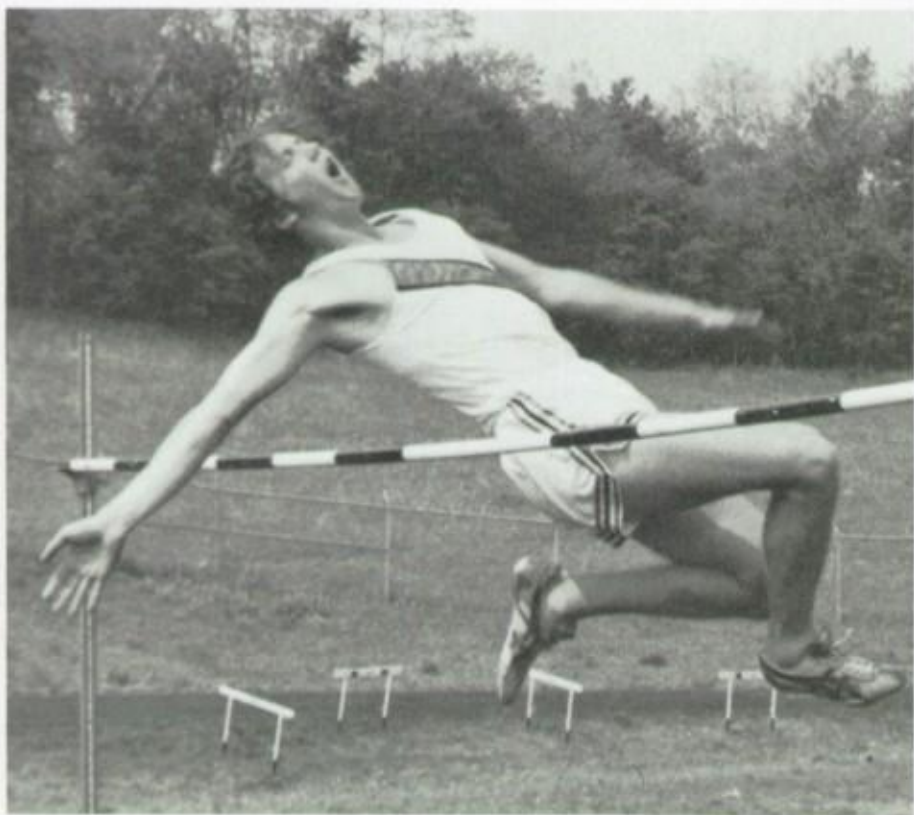

Varsity And J.V. Gain Experience

Number 1 singles player for the 1977 season was Mark Brown, followed by Mike Lyzun number 2 singles, and Chuck Befus number 3 singles, and to follow up Doug Brink was number 4. Number 1 doubles were Brian Thomas and Phil Korest. Brian Graves and Jeff Ham were number 2 doubles.

The outstanding players for J.V. were Jean-Marc Raflin (exchange student) 1st singled followed by Mark Coleman. Both teams were coached by Mr. Smith.

Old Records Broken In 1977 Track.

The 1977 RHS Track team finished the season with a 3 — win, 4 — loss record, giving them sixth place in the O.K. Red Conference.

There were three records broken this year. Sophomore Mike Jacobs ran the 330 Low Hurdles in 41 seconds. Senior Mike Couturier broke his own record by throwing the discus 134'8". A record was also set in the two mile relay by Juniors, Rod and Ron Krebs, Marty VanDyke, and Senior Kim Karasiewicz. They ran it in 8.16.1 seconds.

The most valuable player award went to senior Rusty Afton and sophomore Neal Streeter was highest scorer.

Girls Sprint To New Season

Running with the boys was not the idea for the Rockford girls this Spring. Thanks to Mrs. Verduin, our Rockford girls competition in the O.K. — Red Conference division as a track team. The young teams' events were the same as the guys, including shot put and discus. RHS girls took seventh place in the Conference standings and sixth in the Conference meet.

Varsity Girls Softball Team

The Varsity Girls Softball team played tough but allowed too many of their opponents to cross home plate. The team was made up of three Freshmen, three Sophomores, and four Juniors. Graduating Seniors were Janet Robinson, Amy Carlson, and exchange student Xenia Sanchez. Coach Jane Shoemaker's third year team had a conference record of 0-6 although they won two regular season games.

New Team Has Slow Start

This years J.V. Softball team was sponsored by the Community schools. The team consisted of seventeen members, who struggled through six scheduled games. Their team was coached by Mr. Robert Eggleston. The girls had many exciting experiences.

We've Got Spirit.

Varsity Cheerleading, headed by advisor Carol Baker, along with Captain Janice Buhr, had a different and exciting year. Topping the list of accomplishments this season was the sponsoring of the National cheerleading Association, new uniforms, and getting two blue ribbons, one red, and the spirit stick, for being the most spirited team there.

Junior Varsity Cheerleaders

Freshmen Cheerleading

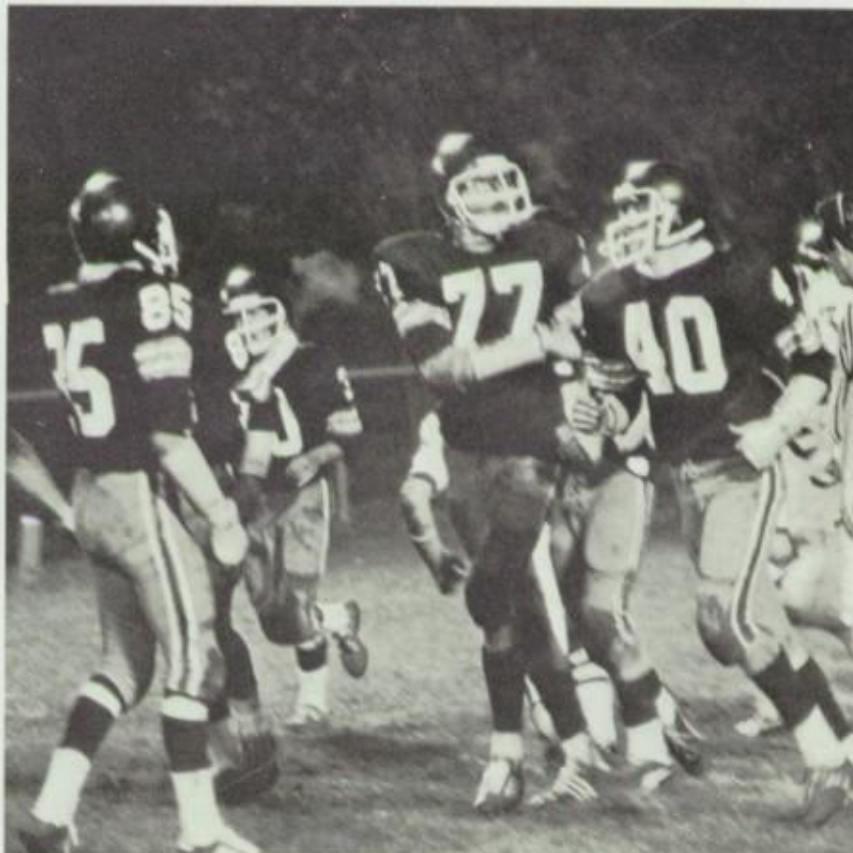

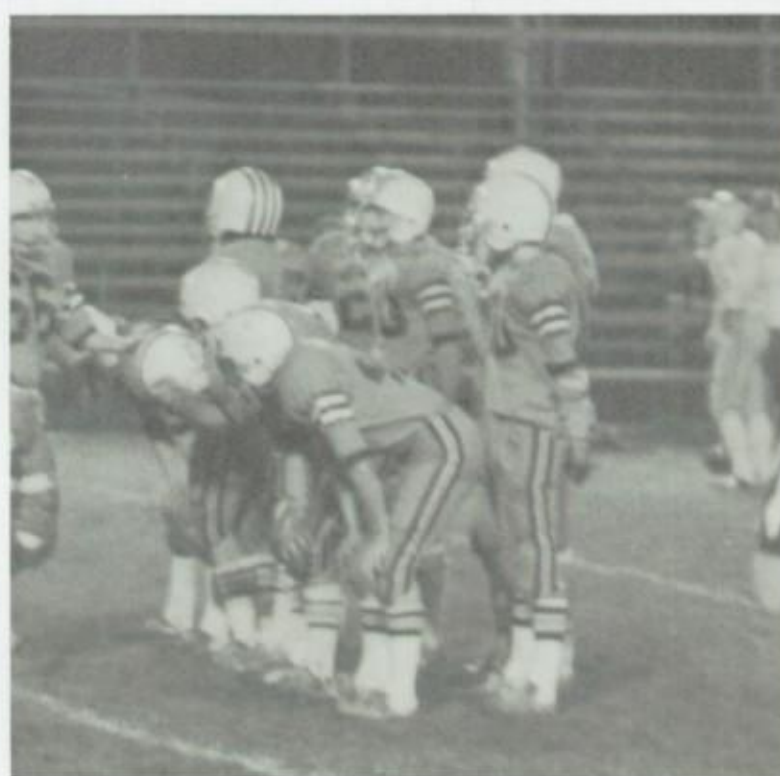

Varsity Football

As a first year coach John Schrolec was proud of his team yet dissappointed in the Varsity Rams 1-8 win record. The team members that were recognized at the end of the season for outstanding performances were: Best Defensive Player, Dick Cooper; Best Offensive Player, Kurt Kempf; Most Valuable Player, Doug Cole. Special recognition should also go to Defence Tackle, Roger Radeck who made honorable mention all-Conference in the O.K. Red Division.

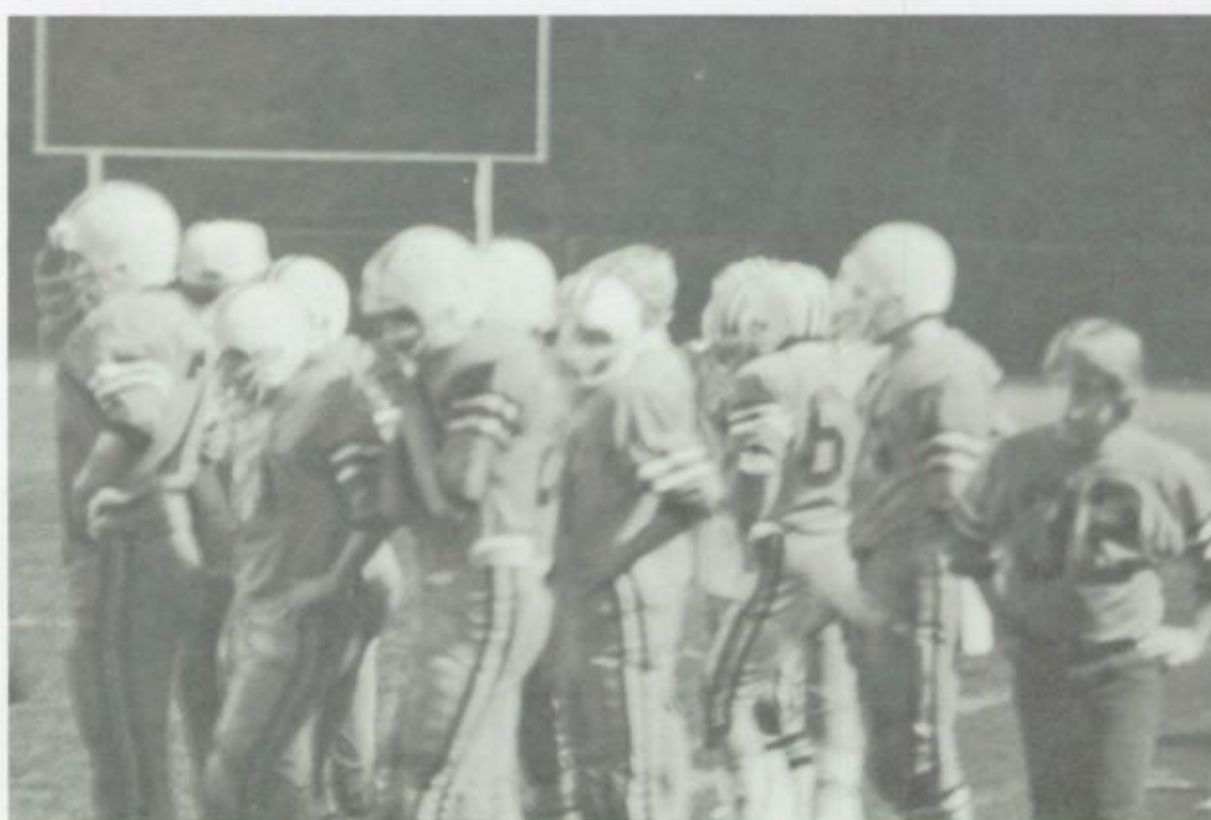

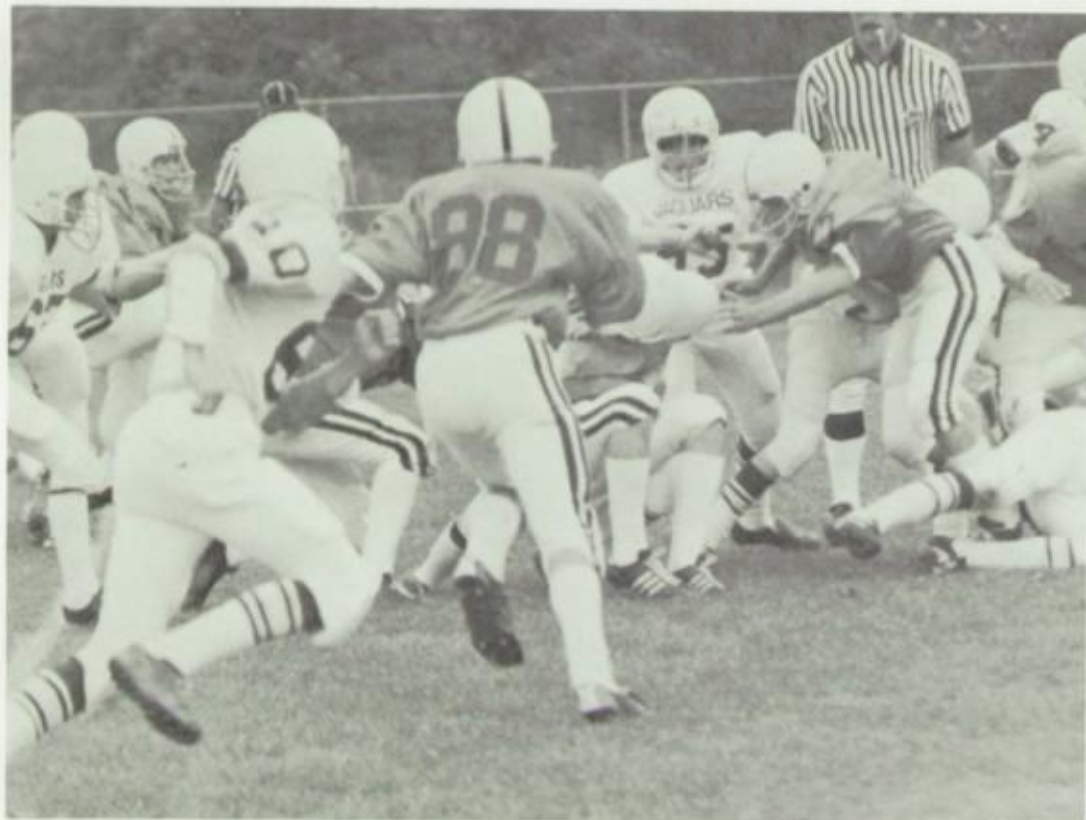

J.V. Football

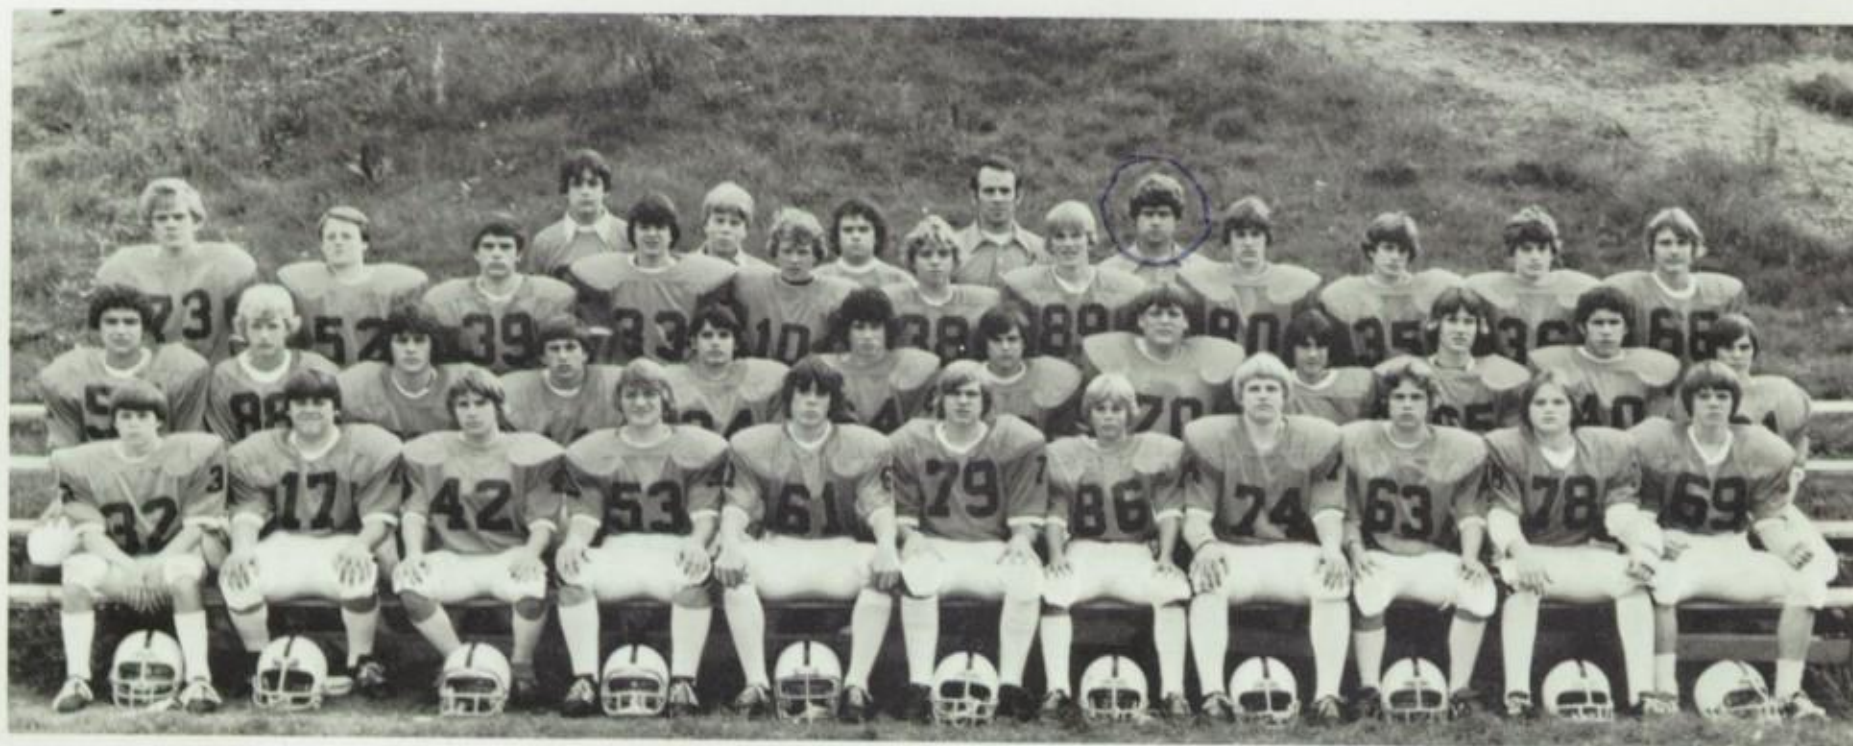

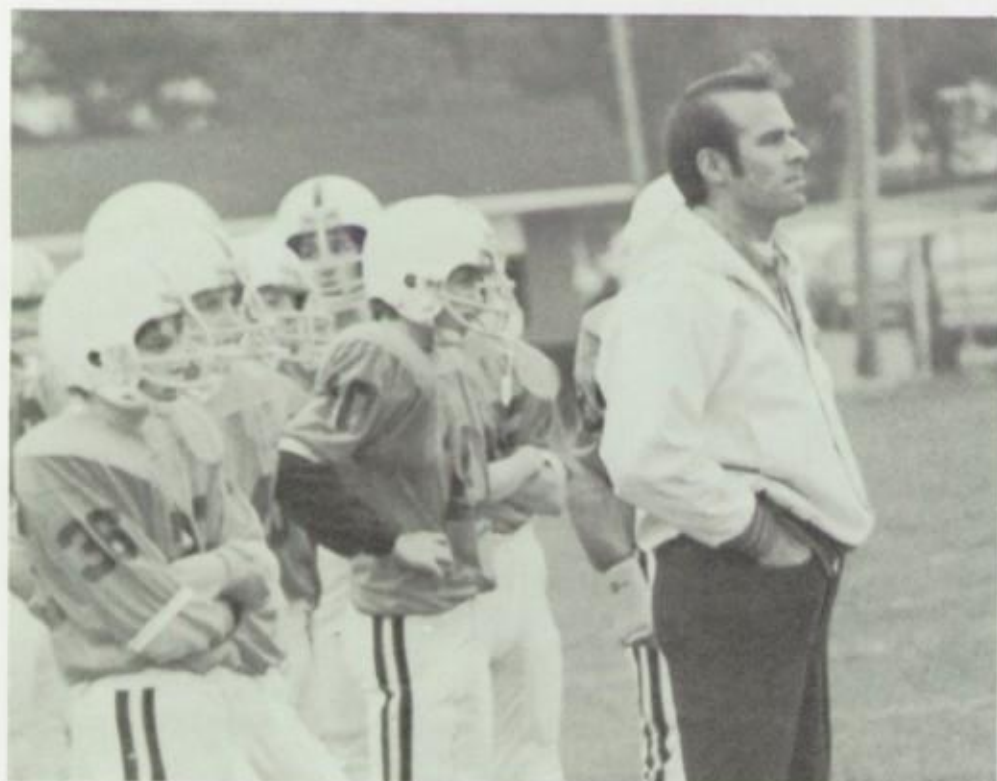

Our J.V. football players accumulated a 0-9 record which was disappointing for the long, hard hours the team put in. Leading the team throughout the year were, Barry Bernhart, Joe Deering, Scott Weston, and brothers Glen and Doug Swider. Coaches for the 1977 season were Vic Wolven and Terry Konkle.

Coaches Bonnie Lindke and Linda Boyd stressed long and hard practices. Over the season the gymnasts did raise the team score up ten points.

Qualifying for regionals were Julie McKee and Bonnie Pitsch in vaulting. To qualify for regionals a gymnast must reach a set score in one event at least four times throughout the season.

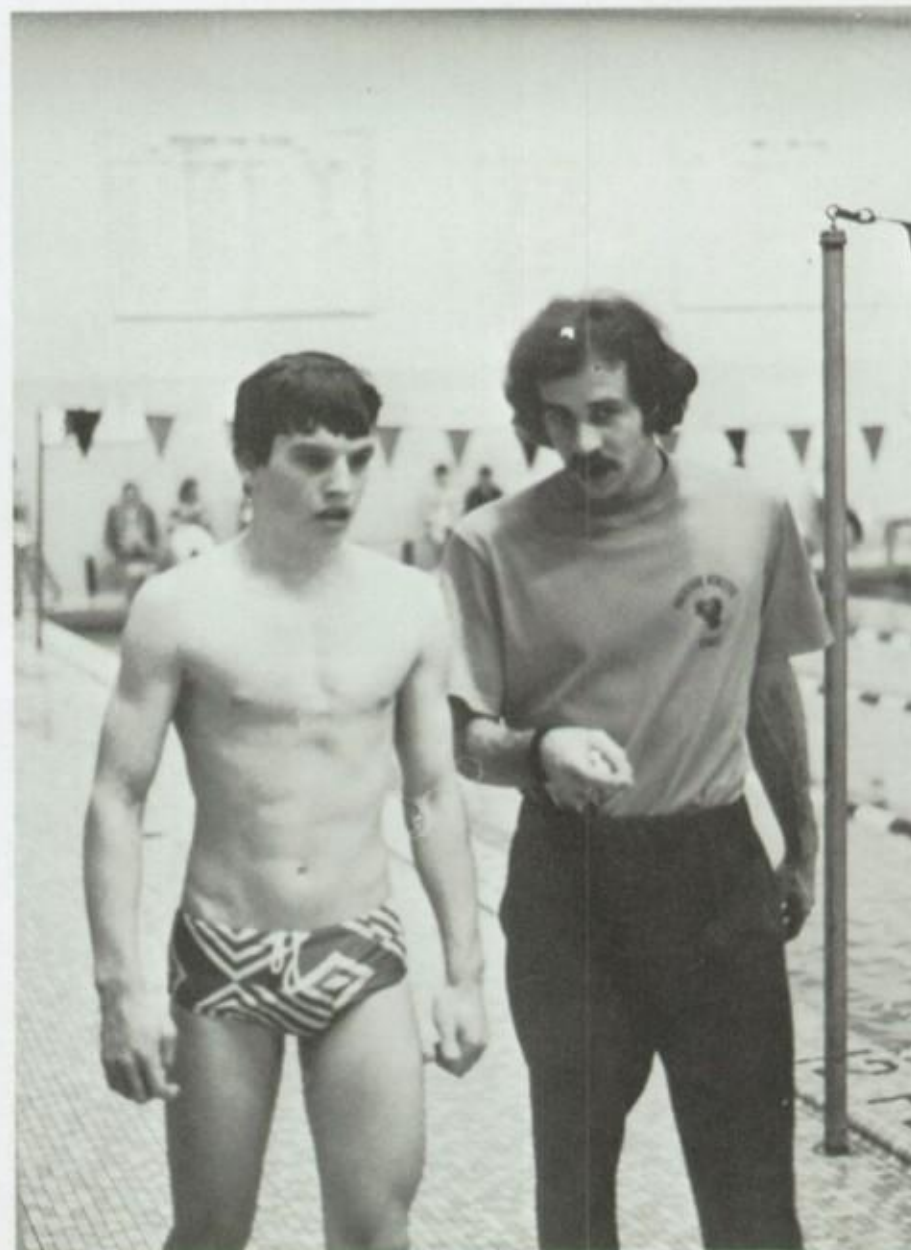

A banquet was held to give out awards and varsity letters. "Most Valuable" went to Bonnie Pitsch who went all-around. Lori Laraway was voted "Most Dedicated." "Most Improved" was awarded to Mary Frodl.

The Swim team had a tough season but pulled through with the encouragement of their co-captains John Young, and Dave Cavera. The other graduating senior was Mark Anderson.

Wrap Up

Section J

Why'd we first meet
Well I think I now know,
To live, to laugh
To love, to learn,
To grow

Terese Steimel

Miles may drift us apart
So may times and changing seasons
But memories shall never be destroyed
No matter what the reason.

Patti Case

Yesterdays are forever gone
 But can be looked back to and wished
 upon
 So smile today
 You'll laugh tomorrow
 Remembering how it was, Yesterday.

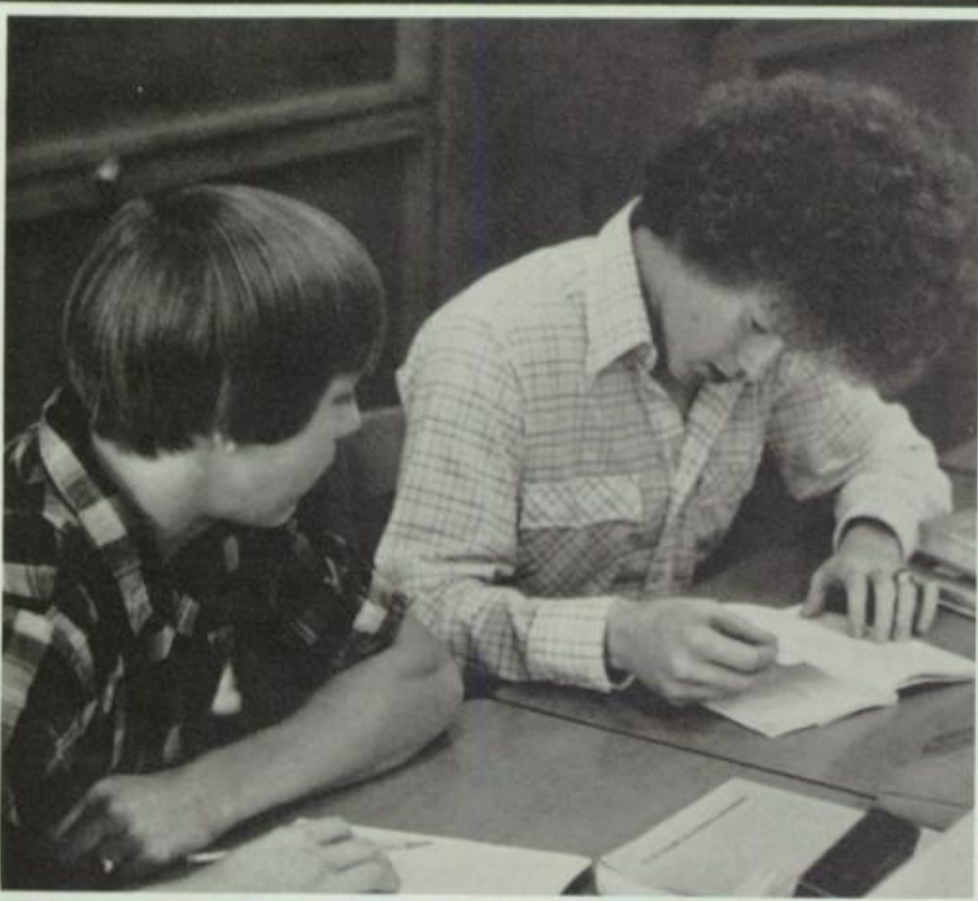

Peg Case

I'd like to be the sort of friend
That you have been to me;
You've shown me things along the way
Alone I could not see.
I only wish I could repay
A portion of that gladness;
You picked me up and made me strong,
Diminished all my sadness.

LOOKS LIKE WE

Congratulations!

You have just flipped through 216 pages of copy, headlines and photographs. That might be what it appears to be, but it should represent 365 days of memories.

This Rams Tale Review was designed to look like a newspaper. Its feature stories pertained to community interest. The articles you've seen in the daily press were recaptured here in our yearly book.

We'd like to take this opportunity to thank Universal Studios for their time and effort, in our photo department. The administration, faculty and Mr. Ruster were really fantastic when we needed their support and cooperation. Our appreciation is also extended to John Pesano (Yearbook Representative) and Jostens American Yearbook Company. A quick "F Stop" goes to Ted Nykiel for supplying us with some last minute sport pictures.

There were problems on the Rams Tale Staff but with the help of a few dedicated people, they were overcome. Thanks to Tim Commee a little more spirit was added to the sports section. Sue Douglas, it is really hard to say thanks to you because you deserve so much more. We feel that your name means as much as ours.

So much has gone into this book, not just pictures and words, but laughter and tears. So many times we've wanted to give up in despair, but it looks like we made it, together we made it.

Patti Case
